Pandemic tops cyber risks as the biggest threat for businesses in 2020

The main risks in the next 5-10 years will relate to pandemics and infectious diseases, climate change and cyber risks, AXA says.

Digital, Accelerated: 3 insurance agents share how to level up your agency technology

(<https://www.propertycasualty360.com/native?mvi=4487f11406684a289d333143299bb4>)

For many insurance agents and brokers, 2020 has served as a turning point for agency technology. This year, agents had to quickly adapt to working remotely and using digital channels to serve their clients. Jeff Roy, CEO of Excalibur Insurance, sees this time as an opportunity for independent agents to make major strides with digital technology.

Discover why the premium payment process is critical to retaining your customers. Download now!
